ATHLETIC CLUB MEETS

Temporary Organization Effectuated
Last Night—Another Meet-
ing Next Week.

The first meeting of the Oahu Athletic Association was held last night at the Palama headquarters. About fifty members were present.

C. R. Dement introduced Jimmy Fox, one of the chief promoters of the new organization. He was elected temporary chairman.

Mr. Fox explained that the object of the association is to foster indoor and outdoor athletics and to arrange monthly sparring contests between members. The initiation fee is \$2.50 and the monthly dues will be one dollar.

The association was temporarily organized last night and the meeting was adjourned until next Thursday evening, when permanent members will be elected and officers elected.

The club room has already been partly fixed up and is now provided with a punching bag and other athletic paraphernalia.

The gathering was a very representative one from a sporting standpoint and many local turf, ring and baseball celebrities were present, including H. Vierra, Oscar Lewis, Frank Turk, Clarence Crabbe, C. R. Dement, Paddy Ryan, W. Nolan, Henry Peters, Fred. Kiley, J. Marcellino, Ed. Finn, George Thomas, Sid Boyd, M. Lucien, Tobin and Mitchell.

It was decided to hold the charter member list open until next week.

The meeting was of a most enthusiastic nature although it suffered somewhat by the pernicious example of verbosity set by the late lamented Legislature. If a fellow had nothing to talk about he talked about it just the same.

Lewis and Turk, who as usual were undivided, lost no chances of making themselves heard, and as far as they were concerned it might have been a political caucus instead of an athletic club meeting. Next week they promise to be on hand early with a "sate."

A Mr. Nolan spoke at considerable length on his athletic views and trusted that the members of the new club would always behave like gentlemen.

CRESCUS AND ABBOTT TO GO

Champion Jeffries Has Covered
Sharkey's Forfeit and a
Fight is Assured.

Cresceus and The Abbott will race over the Brighton Beach track August 15 during the meeting of the New York Breeders' Association. This announcement was made after W. I. Marks, manager of The Abbott, had seen the champion trotter work a mile in 2:11, last half in 1:01, and last quarter in 29 1/2 seconds. The Abbott has had a touch of distemper, and it was reported last week that the special match race was off. The horse has improved wonderfully and seems to have all his former burst of speed.

The New Paltz trotting races were brought to an end with a sensational incident. Peral A., a bay mare owned by Francisco Brothers, was favorite in the 2:35 trot and pace. She won the first and second heats, driven by one of her owners, who then gave the reins to George O. Smith, a more experienced driver. Smith drove her in the third heat. She was leading at the half-mile pole when she dropped as if shot and died in her tracks. A ruptured blood vessel was the cause of death.

At Columbus, Dr. Book won the 2:14 trot; best time 2:10 1/4; Dainty Queen the 2:24 class pace, best time 2:12 1/4; Edith W. the 2:06 class pace, best time 2:05 3/4; and Captor the 2:25 class trot, best time 2:12 1/4.

The \$10,000 Brighton Derby was won by J. B. Haggins' Water Color.

Arthur James' Fortunatus (Maher) won the Goodwood cup, value \$10,000.

Billy Pierce has received a telegram from the San Francisco Athletic Club saying that Champion James Jeffries has posted \$5,000 to cover the forfeit to put up for a fight with Tom Sharkey, says the World. The money and two sets of articles of agreement have been sent East. Sharkey says he will put his signature to the blank, whatever it calls for. He will begin training at Sheephead Bay with Jack McCormack at once. Within two weeks Sharkey expects to start for San Francisco and will probably have Tim McGrath and Jack Root as trainers.

Terry McGovern is matched to fight Jack Roberts, the English champion. The men will weigh in at 126 pounds. Major Taylor was defeated by Iver Lawson in the final heat of the half-mile bicycling championship at Syracuse. Time 1:20.

Joseph F. Fulton of Brooklyn cut the two-mile amateur bicycle record of 3:24 2/5 to 3:23. He also lowered the seven-mile record from 11:51 3/5 to 11:51.

On August 1st the Columbia defeated the Independence 5 minutes and 14 seconds in a thirty-mile course. The Columbia led by a mile in the first ten miles, but as the wind freshened the Independence pulled up considerably, sailing the last leg better than thirteen knots.

Yachting experts think that Sir Thomas Lipton's cup challenger Shamrock II will reach New York harbor today. She has covered the 1,300 miles from the Clyde to St. Michael's Island, Azores, in five days, or at the average speed of 260 miles a day, beating the record of the Shamrock I to the Azores by one day.

William Ringer, who has been connected with the lumber yard of Wilder & Co., has resigned his position, and may join with C. Wilder in the formation of a new lumber company.

The papers in the bankruptcy matter of C. T. Amare were received yesterday from Hawaii by Deputy Marshal Hendry. They filled a half dozen big boxes, and weighed half a ton.
